

Educational Sojourn in India

June 29–July 8, 2007

Blended Model, 10 days, 3 cities (New Delhi, Agra, Mumbai)

Leading Culturally Diverse Workplaces

MADS 6693.81 3 graduate or postgraduate credits

This course will explore the dimensions of diversity, cross-cultural models, assessment tools and best practices to improve cross-cultural relationships. Team building and the impact of team-building activities on culturally diverse populations will be discussed.

Can be used as an elective toward a graduate Global Technology Administration Certificate (Petrocelli College of Continuing Studies) or as a management elective toward an MBA (Silberman College of Business)

Fees: \$3,086 plus airfare (approximately \$1,400, direct flight available from Liberty International Airport, Newark, N.J., to New Delhi, India)

Managing Culture, Diversity and Change in the Global Workplace

PADM 4564.E1 3 undergraduate credits)

This course focuses on the sources of changes that necessitate effective management of diversity; changing constituencies, clients, consumers and markets; and what organizations can do to ensure that diversity is managed effectively.

Can be used as an elective toward an undergraduate Leadership Administration Certificate (Petrocelli College of Continuing Studies) or as an elective toward the BS in business management (Silberman College of Business)

Fees: \$3,020 plus airfare (approximately \$1,400, direct flight available from Liberty International, Newark to New Delhi, India)

Offered by Fairleigh Dickinson University Anthony J. Petrocelli College of Continuing Studies, School of Administrative Science, in partnership with Office of Global Learning.

Students will be given Digital Cameras and Voice Recorders to archive their experiences on FDU's Global Issues Gateway Web site (www.gig.org)
